

PROGRAMS OFFERED

INTENSIVE READING/LANGUAGE ARTS AND MATH

Grades K-8 **9:00-11:00 am** **July 8-19** **Mon-Fri** **\$550**

The summer language arts program will build on the concepts used during the school year. We will concentrate on reading fluency, comprehension techniques, punctuation, capitalization, grammar, penmanship, and issues dealing with correct written expression procedures. It will be taught using multisensory methods. Multi-sensory math techniques to expand vocabulary, computation, and story problems will be utilized.
